Features

Proximity Sensor Compatible
Cases marked with this symbol include intuitive technology that helps preserve battery power, while also recognizing your in-holster notification settings and preferences. Patent Pending Technology.

Removable Strap
Cases marked with this symbol have a removable leather strap that can be attached onto a purse or held in your hands for added convenience and security.

Swivel Holster
This symbol indicates a case outfitted with a swivel belt clip that lets you choose whether to wear the case in a vertical or horizontal position for maximum comfort.

Clip Attachment
Cases marked with this symbol feature a leather-wrapped metal clip to attach onto a belt, waistband or briefcase for added convenience and security.

Protective Grooves
This symbol indicates BlackBerry® cases that include special grooves inside the case to protect the trackball.

3.5mm Stereo Jack
Accessories marked with this icon are suitable for BlackBerry smartphones that have a 3.5mm stereo jack, including the BlackBerry® Pearl™ Series, BlackBerry® Curve™ Series, BlackBerry® Bold™ Series, BlackBerry® Storm™ Series, BlackBerry® Tour™ Series, BlackBerry® Pearl™ Flip Series and BlackBerry® Torch™ Series.

2.5mm Stereo Jack
Accessories marked with this icon are suitable for BlackBerry smartphones that have a 2.5mm stereo jack, including the BlackBerry Pearl 8100 smartphone, BlackBerry 8800 series and BlackBerry 8350i smartphone.

Materials

Leather

From high-quality, full-grain leather that is rich and supple (reserved for our premium cases) to the soft touch of lambskin or the traditional look of nappa leather. Our cases not only offer maximum protection for your BlackBerry smartphone but are stylish, too, and designed to fit your device like a glove.

Synthetic

A man-made alternative to genuine leather is used in our standard lines and all of our cases come in a wide variety of colors and designs to suit particular preference and personality.

Introduction

BlackBerry® Authentic Accessories complete the BlackBerry® story for retailers and their customers. They combine proprietary technology, quality engineering, security and functionality.

With a full selection of products, BlackBerry Authentic Accessories allow users to optimally charge their BlackBerry smartphones, maximize battery life, personalize their smartphone as well as work and play hands-free.

Cases

BlackBerry carrying solutions bring together comfort, functionality, quality and style, allowing users to keep their BlackBerry smartphone safe and looking great in every situation.

Audio

Users can unleash the multimedia functionality of their BlackBerry smartphone with audio and music accessories.

Chargers

A full range of chargers allows users to power their BlackBerry smartphone in the car, at the office, at home and on the road.

Bluetooth

Bluetooth® accessories allow users to expand the functionality of their BlackBerry smartphone, offering the flexibility and convenience of talking hands-free and streaming music at home or on the go.

Batteries and Doors

A range of colored battery doors allow users to customize their BlackBerry smartphone to match their personality and style. Authentic BlackBerry Extra Batteries keep users powered while on the go and protect the BlackBerry smartphone.

Advanced Accessories

BlackBerry® Presenter

BlackBerry® Presenter with Carrying Case
ACC-26975-001

You want to be able to deliver your presentations with ease. So leave your laptop behind and use BlackBerry Presenter to deliver your presentations. Designed for professionals who are on the go, you simply plug it into a projector or monitor and present Microsoft® PowerPoint® wirelessly from your BlackBerry smartphone. While presenting, view speaker notes or loop slides when you're at that big convention. And, if you need to reference information on a different slide to answer that critical question, you can easily freeze your presentation on the overhead display while you search through your deck on your BlackBerry smartphone. Discover an easier way to present and impress your audience with BlackBerry Presenter.

Key Benefits

- Now supports PDF
- Plug BlackBerry Presenter into a monitor and select the wizard from a BlackBerry smartphone
- Bandwidth optimization
- VGA and S-Video Connectors are provided
- Wireless Bluetooth connection
- Multiple resolution support
- NTSC/PAL switch

BlackBerry® Visor Mount Speakerphone VM-605

Includes BlackBerry® Micro-USB Vehicle Power Adapter
ACC-23438-001

Keep your hands on the wheel and your eyes on the road using the BlackBerry Visor Mount Speakerphone to stream your calls and your favorite music from your BlackBerry smartphone through your car's FM stereo system.

Key Benefits

- Verbal call notification and visual caller ID through vehicle audio system LCD
- "One-touch calling" - voice-activated dialing through BlackBerry smartphone
- Turn-by-turn directions heard easily over vehicle stereo speakers
- Onboard speaker and microphone
- FM transmission with station scanning feature
- Echo and noise reduction DSPs
- 13 hr talk time/24 hr standby
- 13 languages/variants supported: UK English, US English, French, Italian, German, Spanish, LatAm Spanish, Brazilian Portuguese, Chinese

Advanced Accessories

BlackBerry® Wireless Headset HS-300

Includes 12V Vehicle Power Adapter
ACC-25937-001

With one-touch calling, noise cancelation, automatic volume control, mute and turn-by-turn announcements,¹ this headset does it simply and easily without needing to touch your handset while on the go.^{2,3}

Key Benefits

- Automatically managed volume control
- Announced GPS mapping turn-by-turn directions
- Answer, place, mute and swap between calls all at the touch of a single button
- Dual microphones and noise cancelation
- Can be paired with two Bluetooth enabled devices at the same time
- Compatible with third-party Bluetooth enabled devices

1 Compatible with select third-party GPS mapping applications. Check with your service provider for supported features and services.

2 Not all features are guaranteed to be compatible as some are handset-dependent.

3 It is your responsibility to check your local laws and regulations regarding restrictions on use while driving.

BlackBerry® Wireless Headset HS-700

The headset that puts your voice in command.

English/French Version: ACC-23688-001

English/Spanish Version: ACC-23688-002

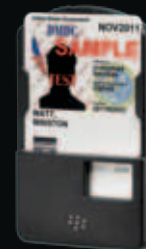

Simply turn on the headset and it talks to you, guiding you through setup. When the headset announces the name of an incoming caller, you can say "answer" or "ignore" to manage your call. To make a call, swap between two conversations, mute and more, use voice commands to say what you want to do. Working with specific BlackBerry smartphone applications, the headset uses your Contacts list to announce the name of your caller,¹ plays audio files, and announces GPS mapping turn-by-turn directions.² Do more and get the ultimate hands-free calling experience with the sleek headset that's designed for your voice.

1 Requires BlackBerry Device Software 6.0 or later.

2 Requires compatible third-party location based services application on smartphone.

BlackBerry® Smart Card Reader

PRD-09695-004

The BlackBerry Smart Card Reader allows mobile personnel to meet operational requirements for using two-factor authentication with Bluetooth enabled Microsoft® Windows® computers, BlackBerry smartphones, PKI applications and for secure web browsing - without negatively impacting the user experience. The BlackBerry Smart Card Reader can replace serial or USB-based card readers, even if your organization has not deployed a BlackBerry solution. This enables you to benefit from un-tethered access to your smart card credentials from your desktop or laptop computer.

Advanced Accessories

BlackBerry® Music Gateway

Includes BlackBerry® Mini-USB Folding Blade Charger
ASY-16130-001

Compatible with all BlackBerry smartphones with BlackBerry® Device Software with v4.2.2 or later. Also compatible with other Bluetooth enabled devices A2DP stereo Bluetooth profile. At last, a music experience that lets you wirelessly play your music on your BlackBerry smartphone through your home stereo, car stereo or portable stereo system using the BlackBerry Music Gateway. It's simple: all you have to do is plug the BlackBerry Music Gateway into your stereo system and pair your BlackBerry smartphone, and it's ready to fill any room with your music. So go ahead and throw a party - you're the DJ and your BlackBerry smartphone is the remote control.

Key Benefits

- Control your music: change tracks, adjust the volume, play or pause your music with your BlackBerry smartphone as the remote control.
- Wirelessly streams the music stored on your BlackBerry smartphone to your home stereo system, car stereo or personal stereo.
- Need to take a call? Go ahead. Your music automatically fades when a call is received, so you can stay in touch when you need to.
